CONTINUING DISCLOSURE

The creditor will provide you with statements of your account every six months or anytime on your request.

WHAT COULD HAPPEN IF YOU FAIL TO MEET YOUR COMMITMENTS

Security Interest

This is secured credit. If you fail to meet your commitments under the agreement or any other agreement you have with the creditor, either in the past or in the future, the creditor may be entitled to repossess and sell the Vehicle described on the front page of the contract. If the creditor does repossess and sell the Vehicle, you will continue to be liable if the proceeds from the sale of the Vehicle are not enough to repay your obligations to BMW.

If you grant a person, other than the creditor, security over the Vehicle this is a default under the contract and the creditor may repossess and sell the Vehicle.

By entering into the agreement referred to by this disclosure statement, the Vehicle described in that agreement is specifically identified as security for any other agreement you have entered into with BMW. This means that the vehicle referred to in the current agreement could be repossessed and sold if you default under any other agreement (past or future) with BMW.

Default interest charges and default fees

In the event of a default in payment, and while a default continues, you must pay the default interest charges. In the event of a breach of the contract or on the enforcement of the contract, the default fees specified below are payable. Your credit contract may allow the creditor to vary these fees and charges.

Default Interest will be charged at a rate of 5% above the Annual Interest Rate applicable to the contract.

Default Fees:

Dishonoured payment:	\$ 9.00	is charged in the event that a payment tendered is dishonoured by your bank
ITR fee:	\$ 9.00	is charged when an ITR (Intention to Repossess) letter is issued if your loan account goes into arrears
Warrant to Act fee	\$ 3.00	is charged when a Warrant to Repossess is issued due to a breach of terms
Post Repossession fee:	\$40.00	is charged when a Post Repossession Notice is issued after we have repossessed the Motor Vehicle

FULL PREPAYMENT

If you pay the unpaid balance in full before the final payment is due (full prepayment), you may be required to pay a fee or charge to compensate the creditor for any loss arising out of the full prepayment. The creditor may have suffered a loss if the creditor's current interest rate is lower than the interest rate applying to your original consumer contract. You may also have to pay the creditor's administrative costs relating to full prepayment.

The amount you will have to pay to compensate the creditor for the loss is calculated using the formula below. If the reasonable estimate of BMW's loss arising from full prepayment determined in accordance with the formula is less than zero, then the reasonable estimate of BMW's loss arising from full prepayment will be zero.

$$\text{LRE} = \text{VFP} - \text{U}$$

Where:	
L R E	is the reasonable estimate of BMW's loss arising from the full prepayment
U	is the unpaid balance at the time of full prepayment
VFP	is the value of forgone payments calculated in accordance with the following formula

Initial Here

$$VFP = NPV \sum_{t=1}^n \frac{Rt}{(1+i)^t} + (U * f * d/365)$$

VFP	is the value of forgone payments
NPV	is the net present value
n	is the number of remaining payments due under the agreement
i	is the preceding three calendar month rolling average of the actual annual interest rates in respect of the same class or type of agreement as you have with BMW divided by 12 and expressed as a decimal
U	is the unpaid balance on the agreement at time of full prepayment
Rt	is the payment due in period t
f	annual fixed interest rate as disclosed on the agreement expressed as a decimal
d	is the number of days between the payment due date that immediately precedes the date of full prepayment and the date of full prepayment
t	is the period number index
