Schedule of Terms

9. **Representations:** The Borrower represents and warrants to BMW that all information provided in any application for credit and other information provided to BMW was and remains true, accurate and complete. These representations and warranties will be deemed to be repeated continuously so long as this agreement remains in effect.
10. **Prepayments:** The Borrower may not prepay or part pay any amount shown in the Schedule of Payments. We reserve the right not to accept early payment or part payment of any amount shown in the Schedule of Payments (**Prepayment**). If we do accept a Prepayment we will apply the Prepayment to the next payment due on the date the next payment is due as shown in the Schedule of Payments. This means that there is no interest saving or benefit for the Borrower in making a Prepayment. Nothing in this clause applies to or prevents the Borrower making an early repayment of the unpaid balance.
11. **Early Repayment:** The Borrower may repay the unpaid balance due under this agreement in full at any time (**full prepayment**) on the following terms:
 - (a) Where this agreement is a consumer credit contract as defined by the Act, the Borrower shall pay a fee to compensate BMW for any loss resulting from full prepayment, together with BMW's administrative costs resulting from the full prepayment. 13. **Default interest:** If the Borrower fails to pay any amount payable under this agreement when due, it must pay BMW, default interest calculated on that amount on a daily basis at the Default Interest Rate from its due date until it is paid in full (both before and after any judgment).
14. **Default and Fees:** The Borrower is in default under this agreement if the Borrower breaches any term of this agreement, including failing to make any payment when due; if any representation made, or information provided, by the Borrower to BMW is fraudulent, materially incorrect, incomplete or misleading in any material respect; the Borrower is or may be, involved in a fraudulent or illegal activity in relation to the Vehicle; the Borrower is imprisoned; the Vehicle is at risk; being in default of any other agreement between the Borrower and BMW whenever that other agreement was entered into; if BMW's security interest in the Vehicle does not have priority over all other secured parties; or the Borrower or any guarantor goes into liquidation or bankruptcy, or a receiver is appointed in respect of the Borrower or any guarantor. The Borrower acknowledges that, every other agreement between BMW and the Borrower whether entered into before or after this agreement, is collateral to this agreement and a default under any other agreement is deemed to be a default under this agreement. BMW may charge new fees, or vary the default fees and charges set out in your Disclosure Statement, by giving the Borrower no less than 14 days' notice in writing (including, without limitation, by way of publishing such varied fees and charges on the BMW website, www.bmw.co.nz).

In addition to, and without limiting or affecting, any other powers and authorities conferred on a receiver (whether under the Receiverships Act 1993 or at law or otherwise), a receiver has the power to do all things in relation to the Vehicle as if the receiver had absolute ownership of the Vehicle.
16. **Location of the Vehicle:** If the Borrower is in default, or where BMW becomes aware that the vehicle has been lost or stolen (or where BMW, acting reasonably, forms the view that the vehicle has been lost or stolen), then BMW may, subject to any applicable requirements under laws concerning surveillance devices, monitor the location of the Vehicle, and provide information concerning the location of the Vehicle to its agents or related companies for the purposes of locating and taking possession of the Vehicle.
17. **Acceleration:** This clause does not apply to consumer credit contracts. If the Borrower is in default of this agreement, then in addition to any rights or remedies BMW may have all amounts owing, or to become owing, under this agreement shall become immediately due and payable.
18. **Not accountable for loss:** BMW is not obliged to exercise any power or right arising under this agreement and BMW is not accountable for any loss arising by its delay or partial exercise of any such power or right.

This indemnity extends to fees for compliance with a demand which is given under section 162 of the PPSA but where this agreement is a consumer credit contract, the indemnity is subject to the Act.
20. **No waiver:** Any indulgence BMW grants, or concession BMW makes, to the Borrower or any Guarantor does not waive any of BMW's rights under this agreement, and the Borrower or Guarantor will not be released from any of its or their obligations under this agreement until BMW expressly grant such a release in writing.

27. **Service Address:** The Borrower agrees that both the physical address and email address provided in this agreement shall be treated as addresses for service for the purposes of any communications under this agreement, and that if the Borrower moves from that address or ceases using the email address those will continue as addresses for service for the purposes of this agreement until the Borrower notifies BMW of the new address or new email address, if any. That new address and/or email address shall then be treated in the same manner as addresses for service.
28. **Guarantee:** In consideration of BMW entering into this agreement with the Borrower, the Guarantor(s) jointly and severally guarantee the due and punctual payment to BMW by the Borrower, in the manner and at the times agreed upon between BMW and the Borrower, of all amounts owing to BMW at any time by the Borrower or which may otherwise become payable by the Borrower to BMW.
