

## 2024 Tournament Guidelines & Regulations

The 2024 BMW Golf Cup is sponsored by BMW New Zealand. The BMW Golf Cup will be held as follows:

1. BMW Dealer pre-qualifying and qualifying tournaments will take place between 1<sup>st</sup> of February and 31<sup>st</sup> of July 2024. These will be sponsored by BMW New Zealand and individual BMW Dealers.
2. Individual BMW Dealers may conduct a number of pre-qualifying tournaments prior to conducting their qualifying tournament. At the Dealer's discretion the number of players from a Dealer pre-qualifying tournament that will be invited to participate in that Dealer's qualifying tournament will be advised prior to the commencement of play.
3. Participants are only eligible to play in **one** BMW Golf Cup Dealer's pre-qualifying and qualifying tournament in 2024. Those who participate in multiple tournaments will be ineligible to participate in the National Final.
4. Only amateur golfers **21 years of age and over**, with an official Golf NZ NZG Handicap are eligible to play in any section of this tournament. Players with social handicaps not registered are ineligible for any section of this tournament. At Dealer pre-qualifying and qualifying tournaments, all players must be able to verify their current Golf NZ Handicap prior to play commencing.
5. In the fortnight prior to the National Final, all players must present a letter from their current home golf Club which:
  - a) Details their category of membership of the Club and confirms that they are a financial member of their nominated golf Club;
  - b) Certifies their current Golf NZ Handicap at the date of the letter, which must be within 14 days of registration at the National Final.

This letter must be sent to [BMW\\_Events@bmw.com.au](mailto:BMW_Events@bmw.com.au) two weeks prior to the National Final.

6. If a player is not a member of a specific golf Club then a signed & witnessed Statutory Declaration addressing point b) in clause 5 must be provided. Failure to do so will result in disqualification from the tournament.
7. Any player who competes in the National Final is not eligible to compete in a National Final for the **following three (3) years**. Naturally, all previous National finalists are welcome to play in a Dealer's pre-qualifying or qualifying tournament,

however their scores will not count in the declared results of that competition until the three-year period has expired.

Previous National finalists who have not participated in a National Final for three years are then eligible to attend the National Final again. Players who have represented Nationally previously in a World Final are ineligible to play in all future National and World Final competitions.

**Example:** A player that competed in the 2023 BMW Golf Cup National Final is exempt from all National Finals from 2024 – 2026, they will be next eligible to attend in 2027.

8. To be eligible to play in the National Final, players in dealer qualifying tournaments must have at least four (4) competition rounds registered on Golf NZ during the previous 12 months prior to the date of the National Final. Please note that the Dealer Qualifying tournament that a player competes in is included in the four competition rounds.
9. Handicaps in the National Final shall be the lower of
  - a) The player's current certified Golf NZ Handicap at the time of registration at the National Final, or
  - b) The certified Golf NZ Handicap used in the qualifying tournament.

In each qualifying tournament the Dealer, in collaboration with the Club at which the tournament is played, must either ensure that the competition is processed through Golf NZ or return the original score cards to all players' home clubs for re-handicapping immediately following the tournament.

10. Players without an official NZG Handicap Index are not eligible to win the Qualifying Tournament, however they may play in the non-handicap category off an Index up to a maximum of 28.4. This is the maximum handicap index allowed at each Qualifying Tournament and National Final. Based on the slope number on the course, this will be converted to a course handicap on the day.
11. There will be a separate Handicap Index category for Ladies ( $\leq 0-28.4$ ) and two categories for Men – Handicap Index Category A ( $\leq 0-12.4$ ) and Handicap Index Category B (12.5-28.4). Players with Golf NZ Handicaps outside of these categories (Ladies and Men's B) may participate in a pre-qualifying or qualifying tournament on the proviso **they accept a temporary Handicap of 28.4** (however, note that this may see the players on the stipulated maximum NZG Handicap playing off a Daily Handicap greater than 28 at a given course).
12. Male Finalists who have reduced their Handicap Index to 12.4 or better since qualifying in Category B will compete in Category A in the BMW Golf Cup National Final.

13. In each qualifying tournament the highest placed female BMW owner<sup>(1)</sup> and the highest placed male BMW owner<sup>(1)</sup> from each of the two NZG Handicap categories (Men's A & B) will be declared provisional winners on the day and subject to later verification of the result, their registered NZG handicap (via Golf NZ) and their participation in only one pre-qualifying and/or qualifying tournament in 2024 will qualify to compete in the National Final. Following confirmation of such verification, each of the three winning participants will then be issued with an official invitation by BMW New Zealand to participate in the 2024 BMW Golf Cup National Final.
14. Participants who have not been directly invited by an Authorised BMW Dealership are not eligible to win a Qualifying Tournament and attend the BMW National Final.

22. If a tied result occurs, a count-back will be conducted, comparing the scorecards of the tied competitors. Initially, a comparison of holes 10-18 on the scorecard will be used to determine a winner, with the highest aggregate total of points scored on those holes declared the winner on count-back. If a tie remains, the same process will be applied to holes 13-18 only. If a tie remains, then the same process will be applied to holes 16-18 only. If a tie still remains, then the player who scored the most points on the 'hardest' hole (index "1") shall be declared the winner.
23. A seeded draw will be conducted (in NZG Handicap order) and players must start at the time established by the Tournament Committee, in accordance with Rule 5-3a. Following completion of player registration, starting times will be made by the Tournament Committee and announced later that day.
